I, the undersigned, on behalf of our school's EcoHut challenge team, understand that by registering and participating in the EcoHut Challenge, I agree to the following:

- I confirm that our EcoHut will be built on a site on our school grounds and we will seek pre-construction approval from the school Board of Trustees
- I confirm that all the members of our school's EcoHut team attend a New Zealand school
- I confirm that our school is a registered Enviroschool
- I confirm that our EcoHut team will fulfil and make school ground occupants aware of our school's Health and Safety regulations throughout the duration of the EcoHut challenge
- I understand that The Enviroschools Foundation that is running the EcoHut Challenge will seek to publicise some of the EcoHuts during the design process and completion
- I agree that The Enviroschools Foundation can photograph, video-record and document our school's EcoHut throughout the duration of the EcoHut Challenge. These recordings may be shown on television, in publications and throughout the world via the Internet.
