

Kamo Primary School

E-TEAM

Our vision is to educate and promote environmental issues and sustainability within our school and community.

GOALS FOR 2008

1. Complete the Native Reserve
2. Introduce a School Paper Recycling Scheme
3. Stream Investigations and Storm Water Education

Recycling paper, cans, and plastic bottles.

Planting trees in our new native reserve.

Painting **RAIN WATER ONLY-DRAINS TO HARBOUR** beside the storm water grates.

Testing the water clarity in the Waitaua River.

Our beautiful school native reserve.

Labeling our native trees.

Locating and identifying freshwater species in Otapapa Stream.
