

What is our vision?

Reafforestation of Native plants *around the river.*

What skills will we need?

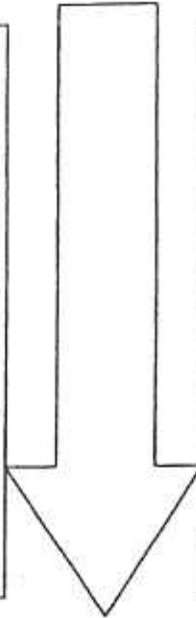

- Know how to plant trees.
- Know which trees are best to plant
- Organising skills
- Co-operation
- Knowing how to protect the trees.

Who could influence the decision?

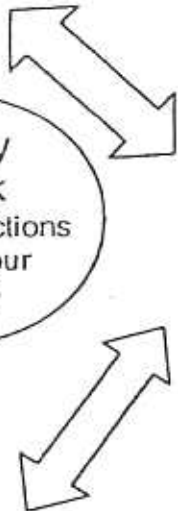

- School
- The Bot
- Farm owners

Who makes the final decision?

- The landowners

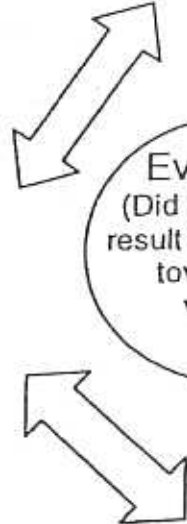

Reality Check
(Do these actions lead to your vision?)

What are we going to do?

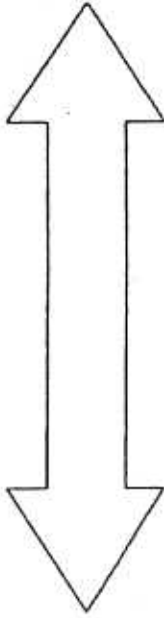

- Plant Native trees around the river.
-

Evaluation
(Did your actions result in movement toward your vision?)

How will we find out what people think and feel?

- Ask them
- Send around a questionnaire
- Ring them up

How can we make people more aware of the issue?

- Tell them
- Learn it at school

Where will I/ we find more information?
