

What is our vision?

Clean water in local streams

What skills will we need?

- Communication, co-operation thinking skills.

Who could influence the decision?

- Northland Reg Council
- D.O.C
- Community

Who makes the final decision?

- Northland Regional Council

Reality Check

(Do these actions lead to your vision?)

What are we going to do?

- find out a way to get rid of sewage disposes so it doesn't have to leak in to our streams which leads into the ocean.

Evaluation

(Did your actions result in movement toward your vision?)

How will we find out what people think and feel?

- Asking them, ~~and~~ displaying it on the community Pothole or use ~~services~~ a survey.

How can we make people more aware of the issue?

- telling them / locals.
- spread the word
- Hot line
- Community pot holes
- advertise,
- signs

Where will I/we find more information?

e learning, interviewing with local communities. ~~and asking them~~ ~~and asking them~~
