

School:

Kokopu

Students:

Tamara

### What is our Action Goal?

trying to stop climate change by planting trees around our school

### What skills will we need?

- energy
- enthusiasm
- 

### Who could influence the decision?

- our teachers and principles
- students
- board of trustees

### Who makes the final decision?

- council
- school

### Reality Check

(Do these actions lead to your vision?)

### What are we going to do?

- plant more trees around the school

### Evaluation

(Did your actions result in movement toward your vision?)

### How will we find out what people think and feel?

- You could send out a pamphlet and ask what they think out.

### How can we make people more aware of the issue?

- advertizing in the newsletter

### Where will I/ we find more information?

on the Internet or from people you know
