

School: Kōkōpū

Students: Hamish

### What is our Action Goal?

try ~~and~~ to stop farmland runoff going into river

### What skills will we need?

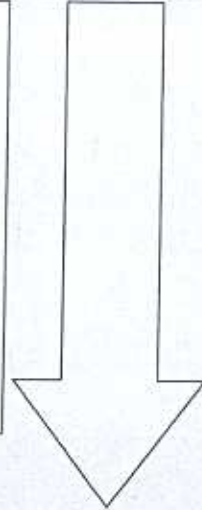

- be able to talk to a crowd,
- Cooperation
- brainstorming
- 

### Who could influence the decision?

- Whangarei district council

### Who makes the final decision?

- the government

### What are we going to do?

- Spread information around,
- fence off rivers so that stock cannot cross or go through,
- Only spray fertilizer or poisons when it is not forecast to rain,

### Reality Check

(Do these actions lead to your vision?)

### Evaluation

(Did your actions result in movement toward your vision?)

### How will we find out what people think and feel?

- interviews

### How can we make people more aware of the issue?

- advertise

### Where will I/we find more information?
