

School: Tangiteroria

Students: Elizabeth Davie

What is our Action Goal?

To lessen or make vehicles on beaches environmentally friendly.

What skills will we need?

- Talking to audiences
- Debating with people
- Cooperation
- A bit of a Nature care mind.
- Confidence

Who could influence the decision?

- People who are listened to.
 - famous people.
 - Researchers • Nature people
- Who makes the final decision?
- The beach owners

Reality Check
(Do these actions lead to your vision?)

What are we going to do?

- Talk to beachowners about the damage.
- Have a roadway place on the beaches where vehicles can go.
- Educate people about the damage they'll cause.

Evaluation
(Did your actions result in movement toward your vision?)

How will we find out what people think and feel?

- Asking people
- Get people to give feedback.
- Letters to the Editor in the paper

How can we make people more aware of the issue?

- Posters and advertisements.
- On Radios, TV and Newspapers have ads about it.
- IN Magazines

Where will / we find more information?

People who have seen bad things happen from it. Researchers. Articles

Issue: The effects flooding has on Fish (Whitebait) in NW River
