

What is our vision?

Marine education/conservation. To help peers understand the importance in conserving our local marine reserves. (Whangarei Harbour)

What skills will we need?

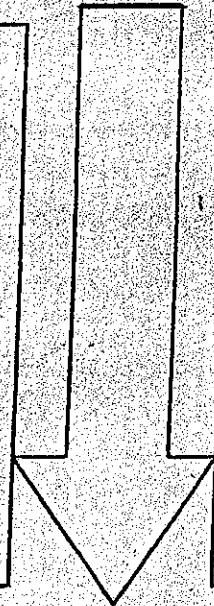

- Confidence
- Computing skills
- Knowledge of the topic
- Passion for the topic
- Communication skills

Who could influence the decision?

- Teachers
- Councils
- Peers
- Community
- Scientists
- Books
- Internet
- Family

Who makes the final decision?

- US

Reality Check

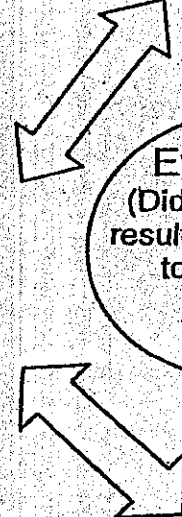

(Do these actions lead to your vision?)

What are we going to do?

- Create a powerpoint
- Give a following speech for 2-3 minutes
- Encourage others to think about what we've said.

Evaluation

(Did your actions result in movement toward your vision?)

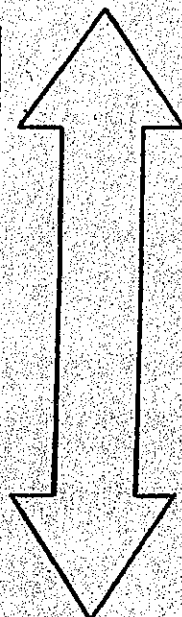

How will we find out what people think and feel?

- Ask them to give feedback on our presentations
- Talk to them

How can we make people more aware of the issue?

- Ask them some of the key points we had mentioned so it gets drilled into their heads.
- Tell them in the long run what could happen if marine reserves weren't around

Books, internet, Where will I/we find more information?
others that have a knowledge on the topic.
