Note 1: Complex Applications for Resource Consent(s)

Notwithstanding the above schedule, the Chief Executive Officer may require an Additional Charge pursuant to Section 36(3) based on the Council's estimate of actual and reasonable cost for the processing of complex applications.

Note 2: All consent processing costs, which exceed the minimum application fee, will be progressively charged on a monthly basis.

Note 3: The final charge is based on actual and reasonable costs including the charging of staff time and consultants at the rate in the above schedule of Consents Staff Hourly Processing Rates and disbursements. The Schedule of Fees/Deposits lists the minimum charge for applications for consent.

Note 4: All activities require notification unless the consent authority is satisfied that the adverse effect on the environment of the activity for which consent is sought will be minor; and written approval has been obtained from every person whom the consent authority is satisfied may be adversely affected by the granting of the consent.

Note 5: Where an application is for multiple activities involving more than one type of consent, deposits are required for each type, unless the Council determines otherwise.

Note 6: For applications relating to restricted coastal activities, the applicant will also be charged the costs of the Minister of Conservation's representative. Additional costs of the Minister of Conservation's representative will also be charged with the prior agreement of the applicant.

Note 7: The Consent Holder will be invoiced the amount of the deposit for reviews of consent conditions at the time the review is initiated by the Northland Regional Council.
