Please Note:

- The mooring will not be transferred unless there is an up to date mooring inspection certificate for the mooring, or the transferee indicates in writing that arrangements have been made for the mooring to be lifted and inspected by a Council approved mooring contractor.
- The transferee must be satisfied as to the adequacy of the mooring when considering the size of the vessel intended to be placed on the mooring. If the transferee has a vessel that is significantly larger than the vessel that previously occupied the mooring, then prior approval from the Regional Harbourmaster is first required.
- The transferee must give consideration to the position of the mooring relative to other moorings in close proximity, and the possibility that larger or different vessels, than those that originally occupied the mooring, may endanger or interfere with other moored vessels.

If the Mooring Licence/Coastal Permit are held by a number of parties, written approval from all of the parties who jointly hold the Mooring Licence and Coastal Permit is required.

A transfer is not complete until the transfer fee is paid and all registered mooring owners (if more than one person) have signed this transfer notice. Until such time as the transfer is complete, the existing Mooring Owner(s) remain fully responsible for all conditions and obligations of the Mooring Licence/Coastal Permit, including payment of all due charges.

If any uncertainty exists with regard to the above, advice may be obtained from the Northland Regional Council and the mooring contractor.

The Northland Regional Council, in processing this "Transfer of Mooring Licence/Coastal Permit" accepts no liability for the inadequacy of any part of the mooring to securely moor a particular vessel (see Northland Regional Council Navigation Safety Bylaw, Clause 3.16).

A letter acknowledging the transfer of the mooring licence will be sent to both transferor and transferee. A copy of this form will be sent by the Council to the local harbour warden and to the mooring contractor to update their records.
