

What is our vision?

2009

Stop coastill erosion make people aware of it

What skills will we need?

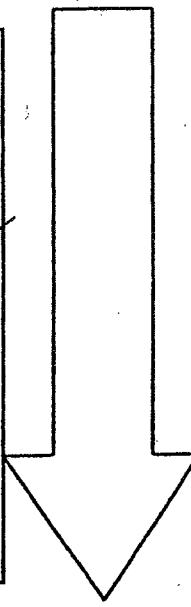

- SOSheil skills
- problem solving
- thinking out side the  box
- Planting trees

Who could influence the decision?

- ~~the~~

Who makes the final decision?

- the leaders of the fuerer. (us kids)

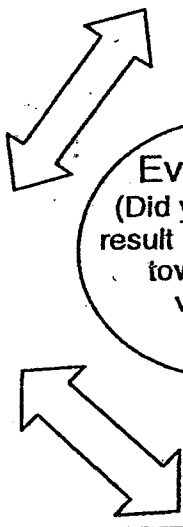

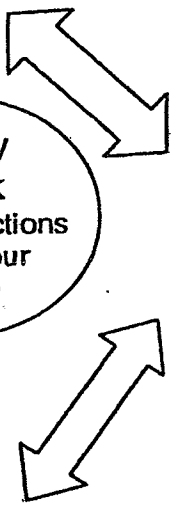

Reality Check
(Do these actions lead to your vision?)

What are we going to do?

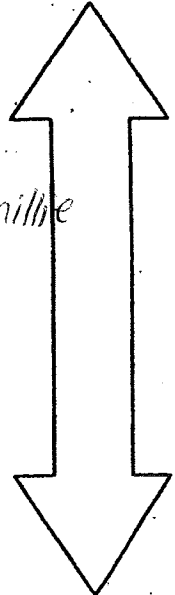

- Stopping coastill erosion to make people aware of it. Plant more trees to on the bank to help support the vetivia Grass (long roots)

Evaluation
(Did your actions result in movement toward your vision?)

How will we find out what people think and feel?

if people might get around if we just ~~put~~ ^{planting} trees willie nilie on ther banks in front of there house we need pimasstron form them and the coast?

How can we make people more aware of the issue?

- posters
- a radio
- signs
- teashirts
- Show them
- put them in school newsletter
- put it in the paper

Where will / we find more information?
