

What is our vision?

2009

Reduce the amount of nonbiodegradable fishing rubbish going In to the ~~the~~ Whangarei Harbour

What skills will we need?

- Creativity,
- thinking skills
- Good people skills

Who could influence the decision?

Who makes the final decision?

Reality Check

(Do these actions lead to your vision?)

What are we going to do?

- We are going to Investigate How much biodegradable fishing gear and packaging is actually available, for fisherman

• We will talk to the fishing gear manufacturers ~~and~~ ~~as~~ who aren't ~~using~~ making biodegradable fishing gear, and ask them why they ~~aren't~~ ~~aren't~~

Evaluation

(Did your actions result in movement toward your vision?)

How will we find out what people think and feel?

- By calling local fishing shops.
- Survey people in ~~the~~ Whangarei.

How can we make people more aware of the issue?

- Make posters that have all the biodegradable fishing gear/packaging on them.
- Make a presentation to show the fishing gear manufacturers why ~~it~~ is important to use biodegradable fishing gear.
- Write something in the newspaper.

Where will I/ we find more information?
