AMENDMENTS TO REGIONAL WATER AND SOIL PLAN FOR NORTHLAND

New policies for resource consent decisions on freshwater management (as required by section 55(2A), Resource Management Act 1991)

Northland Regional Council gives public notice that the Regional Water and Soil Plan for Northland is amended to give effect to Policy A4(2) of the National Policy Statement for Freshwater Management 2014. The amendments insert new transitional policies that apply to resource consent decision-making in relation to freshwater quality. The new policies apply from 1 August 2014. The amendments to the Regional Water and Soil Plan for Northland are made under Section 55(2A) of the Resource Management Act 1991 (Section 55(2A) provides for changes to plans to be made without using the consultation process set out in Schedule 1 of the Resource Management Act 1991).
