

Agenda

**MANGERE CATCHMENT GROUP
SUB-COMMITTEE OF THE ENVIRONMENTAL MANAGEMENT COMMITTEE**

Workshop to be held at Kokopu School,
Kokopu Road, RD 9, Whangarei, on Tuesday 14 October 2014,
commencing at 7:00 pm.

Light refreshments available from 6.30 pm

ITEM TOPIC

1 APOLOGIES

2 FEEDBACK FROM CATCHMENT MEMBER NETWORKS

3 REGIONAL PLANS REVIEW: FRESHWATER QUALITY AND QUANTITY

Presentation by Justin Murfitt

4 ACTIONS SINCE LAST MEETING

What is currently happening within the catchment – where could we make the easy wins and gain the most water quality benefit

5 USES AND VALUES

- Whitebait (confirm whether aspirational value, not confined to catchment)
- Swimming (define locations and date ranges)

6 GENERAL BUSINESS

1. Review of catchment group meeting night for 2015

Proposed change to Wednesday

No meeting in January 2015

Suggest meetings/workshops in early Feb, mid March, early April, May, June, early July, late August.

2. Proposal for field visit to pristine forest: Monday 15 December 2014

Water quality and monitoring focus and trends to date

3. Objective Connect

Document sharing and commenting software for catchment groups

4. Items for next agenda
