

## **HAVE YOUR SAY: TRANSPORT PLANNING FOR NORTHLAND**

On behalf of the Northland Regional Transport Committee, we're seeking feedback on two of the region's transport plans.

The **Regional Land Transport Plan** details local roading projects proposed by Northland's three district councils, and state highway projects put forward by Waka Kotahi NZ Transport Agency. It also includes the strategic planning and public transport functions delivered by Northland Regional Council. It's the blueprint for transport spending across Northland and our bid for central government transport funding assistance.

The **Regional Public Transport Plan** is the operational plan for passenger transport services in Northland. It sets out how public transport and assistance for the transport disadvantaged will be provided for over the next decade.
