

NORTHLAND
EMERGENCY MANAGEMENT

GROUP

TSUNAMI SIREN TESTING

Northland's network of tsunami sirens in coastal communities will be tested on Sunday, 4 April 2021 (Easter Sunday).

Please note the change from the usual time on this occasion. The sirens will sound at 12 midday for 2 minutes only.

The twice-yearly checks are carried out at the beginning and end of daylight saving. A message will also be sent to users of the free Red Cross Hazard app.
