# 1. Preface

This manual has been established as a reference and to reinforce our Elected Members' Expenses and Allowances policies and procedures. It should be read in conjunction with the 'Local Government Members (2021/22) Determination 2021'. This can be accessed using the following link:

## 2. Purpose of the policy

### 2.1 General purpose

In addition to remuneration, elected members of the Northland Regional Council are entitled as set out in this policy to claim:

- Actual and reasonable expenses, in full or in part;
- Vehicle mileage and travel time allowance;
- Communication allowance;
- Hearing fees (with exception of Chairman);
- Childcare allowance

Elected members may choose not to claim these allowances or expenses.

### 2.2 Principle of reimbursement

In general, terms the payment of expenses is governed by evaluating a claim against the principle that elected members should not incur personal expense in the performance of their representational or governance functions and that fair and reasonable expenses incurred in the course of their representational or governance functions should be reimbursed by the council.

### 2.3 Claims for expenses not covered by policy

Claims for expenses other than those listed here will generally not be considered except in special circumstances. In the event that an elected member wishes to seek reimbursement for an expense not detailed in this policy, the Chief Executive Officer, or their Deputy, shall be guided by the Auditor-General's 2007 good practice guide on "Controlling Sensitive Expenditure: Guidelines for Public Entities" and advise the Chair, who will make the final decision, or in the case of claims from the Chair, the Deputy Chair.

### 2.4 Evidence of expenses

With the exception of mileage and travel time allowances, all other expense claims require supporting receipts. For mileage expenses, please refer to the policy statements in the "Vehicle Mileage and Travel Time Allowance" section of this policy.

All expense claims must:

- Clearly state the business purpose of the expenditure;
- Be accompanied by adequate original supporting documentation;
- Document the date, amount, description and purpose of minor expenditure when receipts are unavailable; and
- Be submitted promptly (within one month) after the expenditure is incurred.

## **2.5 Maximum amounts payable for mileage, travel and communications allowances**

Despite the inclusion of specific allowance values for mileage, travel and communications in this policy, maximum amounts payable will be automatically adjusted to match maximums fixed by the Remuneration Authority from time to time during the triennium.

## 3. Travel expenses

### 3.1 Chair's car

1. Council will provide a vehicle with full private use <sup>1</sup>permitted. In accordance with Remuneration Authority methodology, a reduction in gross salary based  $\{ \{ \text{actual purchase price of vehicle} \} \times 41\% \} \times \{ 20\% \}$  will be made;
2. The maximum purchase price that may be paid for a motor vehicle purchased for provision to a regional chairperson is:
  - a) In the case of a petrol or diesel vehicle, \$55,000; and
  - b) In the case of an electric or hybrid vehicle, \$68,500

To note purchase price means the amount paid for the vehicle:

- a) including goods and services tax and any on road costs; and
- b) after deducting the amount of any rebate that applies under the clean car discount scheme in respect of the purchase of the vehicle.

### 3.2 Pool cars

1. Elected members are entitled to make use of Northland Regional Council pool cars for use on official council business, in which case the 'Staff Vehicle Use Policy' shall apply.

### 3.3 Rental vehicles

1. If a rental car is required by an elected member when travelling away from home on local authority business and a council pool car is not available, arrangement and payment for the vehicle shall be booked and arranged directly between the Northland Regional Council and the rental car company, with fuel expenses reimbursed to the elected member on production of receipts. Further, there should not be unreasonable or extensive private use of the vehicle. In these cases, "away from home" means outside of the region; within the region it is expected that a pool car would be used in the first instance.

### 3.4 Air travel

1. If required, council will meet 100% of any air travel costs (or the equivalent airfare or mileage, whichever is the lower) required by an elected member, subject to that travel being necessary for the fulfillment of the member's role as directed and approved the

---

<sup>1</sup> For the avoidance of doubt the definition of 'full private use' is in accordance with the Local Government Members Determination 2021 as follows:

- a) The vehicle is usually driven home and securely parked by the regional chairperson; and
- b) The vehicle is available for the regional chairperson's unrestricted personal use; and
- c) The vehicle is used by the regional chairperson for a mix of local authority business and private use; and
- d) The vehicle may also be used by other local authority members or staff on local authority business, with the permission of the regional chairperson

Chair, or the Deputy Chair or the Chief Executive Officer in the Chair's absence. Travel is to be booked and arranged by the Northland Regional Council.

### **3.5 Subscriptions and loyalty reward schemes**

1. Subscriptions to airline clubs (such as the Koru Club), shall be at each member's discretion and own expense, with the exception of the Chair whose subscription shall be arranged by the Northland Regional Council.
2. Loyalty reward schemes such as airpoints or airdollars provide a benefit to the customer for continuing to use a particular supplier of goods and services. Where air travel is paid for by the council under this policy the loyalty reward will be treated as the property of council. Council will as far as practicable apply those rewards for the benefit of the council according to its documented procedures.

### **3.6 Other travel**

1. If required, council will reimburse or meet the actual and reasonable costs of any 'other travel' (e.g. ferry fares, bus fares, car parking fees etc.) undertaken in the fulfillment of an elected member's role on official council business.
2. 'Other travel' expenses may be claimed for meetings, workshops, and conferences.

## 4. Conference and training costs

1. If required, council will meet 100% of any conference fees or training costs required or incurred by an elected member, subject to that cost being necessary for the fulfilment of the member's role as directed and approved by the Chair or by a resolution of council in a public meeting and arranged by Northland Regional Council. In the case of the Chair, any conferences, training or meetings attended will be reported to council monthly.

## 5. Costs whilst away on council business
