

Putting Northland first

# LAKE NGAKAPUA PEST CONTROL

Te Kaunihera A Rohe O Te Taitokerau

Northland Regional Council is required to publicly notify the application of the aquatic herbicide, Aquathol Super K (active ingredient endothall) to Lake Ngakapua in the Far North District, for the purposes of controlling the pest plant lagarosiphon (*Lagarosiphon major*).

The applications are scheduled to take place on 28 April and 25 May 2015. For more information please contact the Northland Regional Council on 0800 002 004.
