

Putting Northland first

KAURI DIEBACK AERIAL SURVEILLANCE

Kauri dieback aerial surveillance is planned for the following areas between January and March 2017:

- Mangamuka, Mangonui, Purerua Peninsula, Rāwhiti, Kawakawa, Ngawhā and Ōmāpere
- Kohukohu, Panguru, Wekaweka Valley, Waima Forests
- Waipoua Forest, South to Dargaville.

The regional council will contact you if there are any concerns about the health of kauri trees on your property. Individual properties will not be publically identified as a result of this work.

Any inquiries please contact the regional council kauri dieback team on 09 470 1200 or 0800 002 004; or email mailroom@nrc.govt.nz
