LAND TRANSPORT PLAN FOR NORTHLAND 2015-2021

On behalf of the Regional Transport Committee for Northland, we're seeking feedback on a three-year review of the region's land transport plan – effectively the blueprint for transport spending across Northland and our bid for central government transport funding assistance.

The plan details local roading projects proposed by Northland's three district councils, state highway projects put forward by the NZ Transport Agency and strategic projects and public transport matters dealt with by Northland Regional Council.

To find out more – and to have your say – visit www.nrc.govt.nz/transportplan or contact us on 0800 002 004.

**Feedback closes 4pm Wednesday, 31
January 2018.**
