

HAVE YOUR SAY ON OUR LONG TERM PLAN

Help us plan for a thriving Northland! We're seeking feedback on proposals for our Long Term Plan 2018-2028. This plan sets out our direction and ambitions for the next 10 years, and how we'll pay for it.

Key proposals include doing more to look after our water, get rid of pests, and provide flood protection to at-risk communities. Now we need your feedback to make sure we get the balance right.

Instead of traditional hearings, we are holding a series of 'Have Your Say' events. This is a chance for you to give any feedback directly to councillors.
