

# MAKING OF THE NORTHLAND REGIONAL PEST AND MARINE PATHWAY MANAGEMENT PLAN 2017-2027

Pursuant to sections 77(5) and 97(5) of the Biosecurity Act 1993, notice is hereby given of the making of the Northland Regional Pest and Marine Pathway Management Plan 2017-2027 at the 12 December council meeting, excluding:

- All of section 8: Diseases and pathogens;
- All of the Marine Pathways Management Plan, section 10.1

The above parts of the plan are currently under appeal pursuant to sections 76 and 96 of the Biosecurity Act 1993.

The remainder of the plan will come into operation from 12 December 2017. Copies of the plan can be inspected (free of charge) or obtained from all Northland Regional Council offices, and is also be available on our website cited below.
