

PROPOSED CHANGE TO THE NAVIGATION SAFETY BYLAW FOR KAI IWI LAKES

Northland
REGIONAL COUNCIL 

We're seeking feedback on a proposed change to the recently adopted Navigation Safety Bylaw for Kai Iwi Lakes in relation to the five-knot speed restriction on Lake Taharoa.

The proposed change would see the speed restriction reduced from 200 metres to 100 metres from shore right around Lake Taharoa.

To find out more – and to have your say – visit www.nrc.govt.nz/lakesbylaw or contact us on 0800 002 004.

Feedback closes 4pm Wednesday 28 February 2018.
