

# Burning on trade premises

Smoke from outdoor burning pollutes the air and can cause serious health problems.

## Rules within Northland – trade and industrial

- » In Northland, including within the Whangārei airshed, trade or industrial sites are only allowed to burn untreated wood, paper, cardboard or vegetation.
- » You must ensure that you do not cause a smoke or odour nuisance outside your boundary.
- » All items must have been generated onsite. You cannot burn rubbish or materials brought from another location. You cannot take your waste to another location, such as a farm, to burn.
- » Burning must be in a qualifying incinerator.

**You must ensure that you do not cause a smoke or odour nuisance outside your boundary**

For more details on rules regarding fires and burning go to [www.nrc.govt.nz/backyardburning](http://www.nrc.govt.nz/backyardburning)

**Northland**  
REGIONAL COUNCIL   
Te Kaunihera ā rohe o Te Taitokerau

## Reporting a smoke nuisance or a fire

Concerned about smoke or a fire? Try talking to the person, they may be unaware they are causing a problem. If the nuisance continues, call our 24/7 Environmental Hotline on **0800 504 639**.

## Qualifying incinerator

A qualifying incinerator is made from non-combustible materials and is designed to burn waste. It must:

- » Contain all sparks and embers
- » Have a grate under the embers
- » Have a lid or spark arrestor.

## Alternatives to burning

- » Recycle plastics, paper, glass and tins by placing them in your recycling bin, or taking them to your local recycling centre.
- » Take larger quantities of refuse to a transfer station for disposal.
- » Hire a mini skip and place your waste material in the skip for removal.

## Fire permits and restrictions

Northland Regional Council **does not** issue fire permits.

- » During a fire ban you are not allowed to light fires or burn outside.
- » During a restricted fire season, you must apply for a permit. Even with a permit the rules above still apply.
- » To find out if there is a fire restriction or ban in place, or to apply for a permit, go to **[www.checkitsalright.nz](http://www.checkitsalright.nz)** or phone 0800 658 628.

## Penalties

Those found breaching regional rules may face enforcement action and this can include being issued with an instant fine of up to \$1,000.

## Contact details

To report smoke nuisance, and/or an air quality issue, call the regional council on our 24/7 Environmental Hotline: **0800 504 639**.

**If you feel the fire is a danger, call 111 immediately.**
