

HAVE YOUR SAY – DRAFT NAVIGATION SAFETY BYLAW 2025

We are seeking feedback on the Draft Navigation Safety Bylaw 2025.

It is proposed that much of the core content from 2017 will be carried over, however, some amendments to the rules are proposed.

The Kai Iwi Lakes Bylaw is not part of this consultation.

To view the draft document – and to have your say – you can either:

- visit our website at www.nrc.govt.nz/bylawreview; or
- view a hard copy at any of our Northland Regional Council offices.

**Feedback closes at 11.00pm on
Monday 28 July 2025.**
