

Northland Regional Council
Bay of Islands-Whangaroa General Constituency
Electing 1 Regional Councillor

Phil GENTRY

SOVEREIGN.nz

My principal place of residence is not in the Bay of Islands-Whangaroa General Constituency area.

I am experienced in construction. I am against UN Agenda 2030. As a Sovereign.nz group candidate I am resolved to take back the power which our predecessors have so freely given away - and

return it to it's rightful owners: the people of Northland. I oppose the Three Waters asset takeover. Seizure of our assets, which we have collectively paid for, is nothing short of theft. I stand against 1080 drops, water fluoridation and the constant expansion of Significant Natural Areas (SNAs) and Outstanding Natural Landscape Areas which prohibit agricultural development. Central government has recently made massive steps toward taking power and control away from people at the local level. Our current government has made a terrible mess of nearly everything they have touched for the past 3 years.
