

FIND YOUR FUTURE

KITEA TO HEKE MAI

7 and 14 August 2025

An interactive careers event for
secondary students planning on tertiary study

EXPLORE

career possibilities in Northland's professional primary industries

DISCOVER

where a tertiary qualification can take you

PARTICIPATE

in practical sessions and visit a professional workplace

Register here now!

Registrations close Thursday 31 July.

What's happening?

Participate in interactive workshops led by inspiring industry professionals representing Northland's primary industries. Get a taste of the exciting things happening in their working world.

In Whangārei, work with primary industry professionals:

Rabobank - Agribusiness consultants
Naut - Electric propulsion engineer
Northland Regional Council - Biosecurity Incursions officers
Climate Club - Climate action consultant

In Kerikeri, work with on-farm experts and off-farm advisors in:

Veterinary - Managing health conditions
Forestry - Sustainably managing eucalypts
Commercial horticulture - Diversifying with avocados
Bulls and stock sales - Estimating value and conducting auctions

Site visits - Whangareai only

Get out in the work place and experience primary industries. Students can select any of these site visits, but must be accompanied by a teacher / supervisor:

NIWA Northland Aquaculture Centre - ocean science in aquaculture and fisheries
Lynwood Avocado Nursery - NZ's largest supplier of avocado trees
Mangere Falls Farm - award-winning beef finishing farm
Kiwi North Conservation - pest management and environmental conservation

Join us for a day (or two!) and FIND YOUR FUTURE
