

HAVE YOUR SAY: TRANSPORT PLANNING FOR NORTHLAND

On behalf of the Northland Regional Transport Committee, we are seeking feedback on amendments to State Highway safety projects contained in the Regional Land Transport Plan 2024-2027 (the Plan).

The Plan is Northland's bid for Central Government transport funding assistance. It was released for public feedback during February and March 2024.

Since that time changes in Government priorities and funding have resulted in New Zealand Transport Agency Waka Kotahi amending some of the proposed road safety projects for State Highways in Northland. We are therefore seeking feedback on these proposed amendments.

Your feedback on these amendments is important to us.

Feedback closes 4.00pm Wednesday 29 May 2024.
