

Northland Regional Council  
Far North General Constituency  
Electing 1 Regional Councillor

---

**Marty YURETICH**

My principal place of residence is in the Far North General Constituency area.

Tēnā koutou katoa.

I am born and bred in Kaitaia, and it would be a great honour and privilege to be the person who will get the 'voice of the Far North' heard.

I am passionate about our local environment. This has come from living and working in this amazing area for most of my life. I know we can protect our native flora and fauna while promoting a strong economy and improved infrastructure.

I have served in various voluntary roles for over 20 years. This has shown me that I am a strong team player who gets things done. I am very project and outcome orientated and have achieved the goals that I have set, for the benefit of the community. This experience on various committees has set me up for the important task ahead.
