

HAVE YOUR SAY ON OUR LONG TERM PLAN

We're seeking feedback on proposals for our Long Term Plan 2024-2034. This plan guides what we want to achieve over the next 10 years, and how we'll pay for it.

Key proposals focus on the natural environment, community resilience, and regional leadership. Before we make any of these important decisions, we need to hear your thoughts.

During the feedback period, we'll hold a series of 'Have Your Say' events around the region. This is your chance to give feedback directly to elected members. See our website below for details on these events.

We're also seeking feedback on whether we should stop our funding contributions to emergency services and sporting facilities, our draft User fees and charges and significant policies.

To find out more – and to have your say – visit our website or contact us on 0800 002 004.
