My principal place of residence is in the Kaipara General Constituency area.

My name is John Blackwell and I was born, raised and work here in Kaipara all my life. I farm with my family at Clear Ridge, a sheep and beef farm that has been sitting in the top 20% performing

farms according to Beef & lamb statistics.

My governance history started with the family farm, Ruawai College chairman, Northland beef Council chairman, Beef & Lamb Northland farmers Council chairman, Kaipara district Councillor and 5 years as Northland Federated farmers President. Current positions, Vice Chairman for Northland Federated farmers, Chairman of Harbour Lights body Corporation and Treasurer of the Northland Field Days.

What I would bring to the table is an understanding of Northland economy, the need for our state highways to be improved, and the huge burden of regulations coming from Central government. I put myself forward as a person who supports the democratic processes of New Zealand.
