Tide table instructions

New Zealand daylight saving time

The tide predictions for the Standard (main) ports in this tide table have been corrected for daylight saving time. Daylight saving runs from 2am Sunday 26 September 2021 to 3am Sunday 3 April 2022.

Standard ports

All New Zealand tidal data is referenced to predictions for standard (main) ports. Northland's standard ports are Marsden Point on the east coast and Port Taranaki on the west coast.

Secondary ports

The times and heights of tides for secondary ports can be found by applying the corrections on pages 36 to 37 to the corresponding standard port predictions.

- » Whangaruru
- » Whananaki
