**John MCCAWE**

Independent

My principal place of residence is in the Mid North General Constituency area.

I live & farm in Kawiti Valley west of Moerewa on the land of my wife's tupuna. I have 25 years experience creating & building business as well as many years as a professional & volunteer rugby

coach.

My wife & I are active members of our community & hapu through marae, sport & community projects. I am standing as an independent Northland Regional Councillor to be a voice for the people of the Mid North, not following the agenda of a motivated body or organisation.

The paradigms of how we interact with our environment are being challenged. I believe we need to listen to our people to understand the implications of change & how solutions could be generated by the people who are impacted by change.

I believe our natural resources could be protected & better utilised to create new business innovation that creates diversity in employment.
