

Northland Regional Council has funding available for schools and early childhood centres (ECE's) to undertake projects that improve biodiversity, reduce environmental impacts, and care for the earth's resources to build a climate-resilient future. School's/ECE's can apply for up to \$3000.

Apply in at least one of the following categories:

- » Educating climate champions
- » Using sustainable transport
- » Protecting native life
- » Rethinking waste
- » Protecting and preserving water
- » Growing kai

APPLY ONLINE BY SUNDAY 28 SEPTEMBER 2025
