

GOAT CULL OPERATION

Pursuant to Section 50 (1) of the Reserves Act 1977 and Section 8 of the Wild Animal Control Act 1977

the Northland Regional Council (NRC) acting under delegated authority from the Department of Conservation gives public notice that a feral goat cull operation will take place in the Ngaiotonga Scenic Reserve. The method is ground hunting using bailing dogs and firearms.

Work is scheduled to take place between 23rd April – 30th April 2022.

The public, including hunters, is advised to keep clear of the operational area which is that part of the Ngaiotonga Scenic Reserve to the north of the Manawaora-Rawhiti Road (Ngaiotonga saddle road).

Neighbouring landowners have been contacted. For more information please contact the Northland Regional Council on 0800 002 004, for 24-hour emergency contact please phone 027 645 4184
