Request for Independent Commissioner(s) to hear and decide resource consent applications as provided for by Section 100A(2) of the RMA:

- Where only the applicant requests Independent Commissioner(s), all the costs for the application to be heard and decided will be charged to the applicant on an actual and reasonable cost basis.
- Where one or more submitter requests an Independent Commissioner(s), the council will charge as follows:
 - The applicant will be charged for the amount that the council estimates it would cost for the application to be heard and decided if the request for Independent Commissioner(s) had not been made; and
 - The requesting submitters will be charged equal shares of any amount by which the cost of the application being heard and decided in accordance with the request exceeds the amount payable by the applicant outlined above.
- Notwithstanding the above, where the applicant and any submitter(s) request Independent Commissioner(s), all the costs for the application will be charged to the applicant.

Note: Approved consents also attract annual charges
