### Q1: What if a regional council?

A1: A regional council is one type of local authority and generally looks after region-wide issues rather than local issues.

A4: Election day is Saturday 11 October 2025 with voting closing at noon. The voting period starts on Tuesday 9 September 2025.

### Q5: Who is running the election?

A5: The Northland Regional Council's electoral officer has overall responsibility for the

election, but the conduct of the election is undertaken by each constituent territorial authority's electoral officer.

The constituent territorial authorities are:

### Q7: What type of electoral system is used?

A7: The FPP (first past the post) electoral system is used for the Northland Regional Council.

Of the region's territorial authorities, Kaipara District Council also uses the FPP electoral system, whereas Far North District Council and Whangārei District Council use the STV (single transferable voting) electoral system.

For a more detailed explanation of these electoral systems, refer [Q60](#) and [Q61](#).

### Q8: What elections can we vote for?

A8: Electors will be able to vote for the councillors representing the constituency in which they live.

There will be nine councillors being elected from the following eight constituencies:

In addition electors will be able to vote on a poll: whether to retain or disestablish the Māori constituency for the Northland Regional Council. The outcome of this binding poll will apply to the 2028 and 2031 triennial elections.

For further information refer to council's website. [www.nrc.govt.nz/](http://www.nrc.govt.nz/)

**Q9: What is the difference between Māori and general constituencies?**

**A9:** Māori constituency councillors are elected by those enrolled to vote on the Māori electoral roll. Similarly, general constituency councillors are elected by those enrolled to vote on the general electoral roll.

## → CANDIDATES

**Q11: I want to be a candidate in these elections. What do I need to do?**

**A11:** You must be a New Zealand citizen and your name must be on the Parliamentary Electoral Roll (anywhere in New Zealand). When lodging your nomination, proof of citizenship

will be required (copy of passport, birth certificate, citizenship certificate).

You will need to have two electors enrolled on the Parliamentary Electoral Roll in the area you are standing for to nominate you –

e.g. if you stand for the Coastal Central General Constituency, the nominators will need to be enrolled on the Parliamentary General Electoral Roll for that constituency. (Note the candidate does not need to reside in the area in which they are standing but will need to disclose that fact in their candidate profile statement.)

Nominations open on Friday 4 July 2025. If you would like a nomination paper and candidate information handbook sent out, please contact the electoral office closer to this date. Nomination papers and a candidate information handbook will be available on Council's website ([www.nrc.govt.nz](http://www.nrc.govt.nz)) or in hard-copy from designated council offices from May 2025.

Candidate campaigning can commence any time prior to the election (no time restriction), but any expenditure made, within or outside the three-month applicable period before election day, must be accounted for.

---

#### Q12: How much will it cost me to stand?

A12: You will need to pay a nomination fee of \$200 GST inclusive.

A15: No, not for the Northland Regional Council elections.

---

#### Q16: How long is the term of an elected member?

A16: Three years.

**Q17: Do I need to be resident in the area I am standing for?**

A17: No, but you must be on the Parliamentary Electoral Roll (anywhere in New Zealand) and be a New Zealand citizen (by birth or citizenship ceremony). You will however need to disclose whether or not you reside in the area you are standing for in the candidate profile statement.

The two people who nominate you must be on the Parliamentary Electoral Roll within the area you are standing for.

**Q18: Do I need to be on the Māori Electoral Roll or of Māori descent if I am standing for election in the Māori constituency?**

A18: No. To be eligible you must be a New Zealand citizen and your name must be on the Parliamentary Electoral Roll (anywhere in New Zealand).

You will need to be nominated by two electors whose names appear on the Māori Electoral Roll within the area of election for which you are standing.

If you are on the Māori Electoral Roll you can stand in a general constituency, and will need to be nominated by two electors whose names

appear on the general electoral roll within the area of election for which you are standing.

**Q19: How many positions can I stand for?**

A19: You can stand in only one constituency of the Northland Regional Council.

You cannot stand for both the Northland Regional Council and one of its constituent territorial authorities (Far North District Council, Kaipara District Council or Whangārei District Council).

**Q20: Can I withdraw my nomination as a candidate?**

A20: Only if it is withdrawn before the close of nominations (noon, Friday 1 August 2025). You cannot withdraw voluntarily after nominations have closed. If you decide to opt out, your name will still appear on the voting document.

If you do change your mind and decide not to run for election after you have been nominated, let the electoral officer know who will talk through the issues with you.

If you become incapacitated with serious illness or injury and unlikely to be able to perform the functions and duties if elected to office, an application to withdraw your nomination on those grounds can be made. Verification from a doctor or lawyer about your situation will be required.

See the electoral officer if you need more information about this process.

**Q21: What is a candidate profile statement?**

A21: You may provide a candidate profile statement when you lodge your nomination.

This is a statement of up to 150 words containing information about yourself and your policies and intentions if elected to office. The profile statement will be included in the voting packs that all electors receive.

Your candidate statement can be submitted in both Māori and English, but the information contained in each language must be substantially consistent. Each language has to be within a 150-word limit.

In addition, your candidate profile statement must state whether or not your principal place of residence is in the area you are seeking election, e.g., 'My principal place of residence is in the Kaipara General Constituency', or 'My principal place of residence is not in the Kaipara General Constituency'. This is not part of the 150-word limit.

Your profile statement must be true and accurate. The electoral officer is not required to verify or investigate any information included in your statement.

Your profile can include a recent passport size and style colour photograph (taken in the last 12 months).

See the [Local Electoral Act 2001, section 61](#) for more information.

**Q22: When is the campaign period?**

A22: Election campaigning can start at any time before the election and continue up to and including election day.

Refer [Q71](#) for information on campaign signage.

**Q23: How much can I spend on my campaign?**

A23: There is a limit on what you can spend on your campaign and it relates to the population of the area you are standing for.

The maximum amount that can be spent by a candidate cannot exceed the limits set out in the following table:

Local government area population	Expenditure limit (incl GST)
Up to 4,999	\$3,500
5,000 – 9,999	\$7,000
10,000 – 19,999	\$14,000
20,000 – 39,999	\$20,000
40,000 – 59,999	\$30,000
60,000 – 79,999	\$40,000
80,000 – 99,999	\$50,000
100,000 – 149,999	\$55,000
150,000 – 249,999	\$60,000
250,000 – 999,999	\$70,000
1,000,000 or more	\$100,000 *

\*plus 50 cents for each elector

For example, a candidate for councillor of Whangārei Central General Constituency (which has a population in the range of 20,000 – 39,999) can spend up to \$20,000 inclusive of GST.

Please note any expenditure made by a candidate for an election campaign is funded by the candidate and is not refundable by Council to the candidate.

All candidates are required to lodge an Electoral Donations and Expenses Return within 55 days after the day on which the

successful candidates are declared to be elected (by 11 December 2025).

If a candidate is outside New Zealand on this day, the return must be filed within 76 days after election result day.

If a return is not submitted within the required time period, the non-return will be advised to the New Zealand Police for enforcement.

The return needs to be received before a candidate nomination fee is refunded if appropriate.

**Q24: Can I raise campaign funds from donations, and can I claim expenses?**

A24: Yes, you can raise funds and claim expenses from your campaign. There is very specific legislation about donations and expenses which you need to abide by.

For more information go to [Local Electoral Act 2001, sections 103A – 112F](#).

**Q25: Can people already elected onto Northland Regional Council use Council resources to campaign?**

A25: No, elected members cannot use Council resources for their campaigns.

**Q26: Are there any rules about using social media?**

A26: Yes. Councils have policies or guidelines for web and social media use related to campaigning. They will not permit Council social media pages to be used by anyone (candidates or members of the public) for electioneering or campaigning in the three months before election day. This includes tagging Council in social media posts. Council monitors its online sites and takes down any campaign related posts.

**Q27: Can I help people vote or collect their voting documents to send in?**

A27: No, candidates or their assistants should not collect voting documents from electors. Each elector should post or deliver their own voting document to the electoral officer.

It is an offence (carrying a fine of up to \$5,000 if convicted) to interfere in any way with an elector with the intention of influencing or advising the elector as to how they should vote. Candidates and their assistants should be mindful of this particularly if campaigning occurs in facilities such as rest homes or hospitals.

#### Q28: When do nominations open and close?

A28: Nominations open on Friday 4 July 2025 and close at 12 noon Friday 1 August 2025.

**It is strongly recommended that candidates do not leave lodging their nomination until the last day, as to do so may mean insufficient time to rectify any error with the nomination.**

A31: You should enrol where you spend the greater part of your time.

#### Q32: I am a New Zealand Māori; do I need to enrol on the Māori roll?

However, you are able to change from the Māori Electoral Roll to the General Electoral Roll (or vice versa) at any time, except during the 3 months before election day.

**A38:** Is it before Monday 22 September 2025 and you believe you are correctly registered on the electoral roll?

Yes → Please wait until the mail has been delivered on Monday 22 September 2025. If your voting document is not received, then please call the electoral office on 0800 922 822 and request a special vote.

Or

Is it after Monday 22 September 2025 and you believe you are correctly registered on electoral roll?

Yes → You will need to apply for a special vote. For special vote availability, see [Q52](#).

Or

Is it after Monday 22 September 2025 and you believe you are not correctly registered on the electoral roll?

Yes → You will need to complete a Parliamentary Electoral Roll enrolment form. These are available at any postal agency, or you can enrol online at [www.vote.nz](http://www.vote.nz) or phone 0800 36 76 56, or send your name and address to Freetext 3676.

You will also need to apply for a special vote. For special vote availability, see [Q52](#).

**Q39:** I didn't receive my voting document, so I called and got a special vote. Now I have two voting documents. Which one should I use?

**A39:** Use the original one and destroy the special vote.

**Q40:** I received a voting document for a member of my family (e.g. child, parent) and have Power of Attorney for that person. Can I vote for that person?

**A40:** No, Power of Attorney does not apply to voting for that person.

**Q41:** I received a voting document for a member of my family (e.g. child, parent) who does not live at my address or is incapable of voting. What should I do with the voting document?

**A41:** If they are overseas, you could post it to the person or destroy it if that is not practicable.

**Q42:** I received a voting document that does not belong to me and I don't know this person or where this person has gone. What should I do with the voting document?

**A42:** Write GNA (Gone No Address) on the envelope and put it back in the mail.

**Q43:** What is that barcode that I can see through the return envelope or on the front of the voting document?

**A43:** It is a legal requirement to scan the barcode to mark the electoral roll that you have returned your vote so we can ensure that we do not receive two votes from the same person.

**Q44:** How do you ensure the secrecy of my vote?

**A44:** Returned envelopes containing a voting document cannot be opened until there is a justice of the peace (JP) present.

The JP is required to sign off that the processes used by the electoral officer meet the legal requirements.

Note that the voter's name is not shown on the voting document.

When the envelope is opened the only thing the electoral office is looking for is that the vote for each election is valid.

This means that we are making sure that the voter's intention is clear and the voter has not ticked or marked more candidates than the number of vacancies.

**Q45:** Do I have to vote? I don't know any of these candidates.

**A45:** No, you don't have to vote, but we do encourage you to vote and exercise your democratic right.

You don't have to vote for all candidates or for all elections. But your vote is important because the people elected will be responsible for making decisions about what happens in your community for the next three years.

To help you get to know about the candidates:

→ candidate meetings may be held in your community and by attending you can find out what policies the different candidates are advocating for;

→ a candidate profile booklet comes with the voting document and this will include a photo and a statement from each candidate if these have been provided. This information will also be available on the Council's website ([www.nrc.govt.nz](http://www.nrc.govt.nz)) after nominations close (expected 8 August 2025);

→ candidates may have their own website, social media page(s), videos, advertise in local newspapers or send out information to letterboxes in your area;

→ local media are likely to cover information.

**Q46:** Do I have to post my voting document back?

**A46:** You can post it but make sure you have it in the mail by Tuesday 7 October 2025 to ensure it gets back to us in time (by noon Saturday 11 October 2025.)

You can also hand deliver your voting document to a ballot box during the voting period (Tuesday 9 September 2025 to noon Saturday 11 October 2025.)

**Q54:** Do I have to vote for all the candidates for an issue? If I don't vote for all the candidates or all the issues on my voting document, will all my votes not be counted?

**A54:** You can vote for as many candidates as you want to but not more than the number of positions available on the voting document. So, if you are electing two councillors then you can vote for up to two candidates. Remember, for FPP you tick the candidates you want to elect.

With STV (used for some territorial authorities, such as Whangārei District Council and Far North District Council) you can vote for all or as many candidates as you wish but these must be in order of your preference and no number can be repeated. Remember for STV, you rank the candidates you want to elect from number 1 onwards.

You can decide not to vote for one or more of the different elections on your voting document. This does not invalidate votes for other elections on your voting document.

---

**Q55:** Why can't I vote for a certain candidate who is standing for a different ward or other election?

**A55:** You can only vote for the elections relevant to the area in which you live or the electoral roll you are on.

You cannot vote for a candidate who is standing for example in another constituency, because you are not an elector of that other constituency.

Similarly, you cannot vote for a candidate who is standing in a general constituency if you are on the Māori electoral roll and voting for the Māori constituency.

**Q56:** My partner's document and mine are different and there are more/less things to vote for. Why is the list of candidates different?

**A56:** Depending on which electoral roll you are on (Māori or general), your voting entitlements may differ from others in your household.

In addition, the candidates' names are listed randomly for the Kaipara District Council elections.

For any other differences you will need to call the electoral office on 0800 922 822.

---

**Q57:** I have received two voting documents. What shall I do?

**A57:** You will need to call the electoral office on 0800 922 822.

---

**Q58:** Do the staff working on the election know who I voted for?

**A58:** No, your vote remains secret under the required separate roll scrutiny and vote counting procedures.

---

**Q59:** Can I help someone fill out their voting document?

**A59:** Under the [Local Electoral Act 2001](#), you cannot interfere or influence any person as to how they can vote.

If authorised by a voter who is physically impaired, visually impaired or for whom English is a second language, a person can assist them to vote as directed by the voter.

Telephone voting will be available for electors with disabilities. To access this service, electors will need to call the electoral office on 0800 922 822.

---

**Q60:** What happens to all the voting documents after the elections?

**A60:** They are delivered to the Whangārei District Court and kept for 21 days after public notice is given declaring the result of the election so that the Court can access them should there

be any application for a recount or petition for inquiry.

After this time, or the completion of any recount or enquiry, the Court is responsible for destroying them.

**Q61: What is FPP and how do I vote in an FPP election?**

A61: FPP stands for first past the post voting system and is used for the Northland Regional Council, the Kaipara District Council elections and the Māori constituency poll.

With FPP the candidate/s or poll question that gets the most votes wins.

You should mark those you want to vote for with a tick in the circle. Do not vote for more than the number of candidates shown in the instructions on your voting document.

---

**Q62: What is STV and how do I vote in and STV election?**

A62: STV stands for single transferable voting and is used for the Far North District Council and the Whangārei District Council elections.

STV is a preferential system of voting where you can rank as few or as many candidates as you like. It is a single vote which can be transferred between candidates to ensure the vote contributes to the election of at least one candidate and is not wasted. If a popular candidate does not need all the votes he or she receives, a proportion is transferred to the voter's next preference. On the other hand, if a candidate is not popular and receives few votes, those votes are transferred to a voter's next preference.

To exercise a STV vote, start by writing the number 1 in the box next to the candidate you most want to be elected. Write the number 2 next to your second most preferred candidate and so on 3, 4, 5 etc.

You can write as many preferences or as few as you like up to however many candidates are standing for that election.

You must write the number 1 for your vote to be counted.

Do not write the same number more than once, e.g. 1, 2, 3, 3, 4, 5 and do not miss a number from your preferences e.g. 1, 2, 4, 5.

For more information about STV, go to [www.stv.govt.nz](http://www.stv.govt.nz).

➔ **ELECTION RESULTS**

**Q63: When will we know the results of the election?**

A63: Progress results will be announced on the afternoon of election day, Saturday 11 October 2025.

Preliminary results will be announced on Sunday 12 October 2025, once all votes received at the council offices (up until noon on election day) have been delivered to the electoral office in Auckland and processed.

The official results will be announced when special votes have been checked and included in the final result, expected to be Friday 17 October 2025.

---

**Q64: How will I find out the results?**

**A64: Candidates:**

Progress and preliminary results will be advised as soon as practicable after the results are known, on Saturday 11 and Sunday 12 October respectively. This may be by email or by phone.

**Voters:**

Progress and preliminary results will be released to the media and placed on the council's website ([www.nrc.govt.nz](http://www.nrc.govt.nz)) as soon as practicable once they are known, on Saturday 11 and Sunday 12 October respectively.

---

**Q65: What do I need to do if I want to challenge the results of the election?**

A65: Under legislation a candidate may challenge the official results through either a judicial recount or a judicial inquiry. A candidate will have to provide reasons for the challenge and a deposit of \$750 with the application to the District Court.

A candidate may wish to call the electoral office on 0800 922 822 to discuss this.

➔ MEMBERS

Q66: When do elected members take up their roles?

A66: Elected members take up office the day after the official results have been declared by public notice. However, members cannot act until they have sworn the oath of office which is usually at the first meeting of the council. This first meeting is usually held as soon as practicable after the official results are published.

Q67: Who are elected members responsible to?

A67: Ultimately the elected members are responsible to the local community. The Minister of Local Government and the Auditor-General do have a role in ensuring that council follows the law.

Q68: Do elected members get paid and if so, how much?

A68: The Remuneration Authority sets a remuneration pool. The newly elected council will decide how to apply the pool of funding. Some expenses are also reimbursed.

As an indication, the remuneration as of 11 December 2024 was:

Office	Annual Remuneration
Chairperson	\$138,846
Deputy Chairperson	\$87,243
Chair of Regional Transport Committee and Whangārei Public Transport Working Party	\$74,543
Chair of Biosecurity and Biodiversity Working Party, and Infrastructure Committee	\$73,943

Office	Annual Remuneration
Councillor (with no additional responsibilities)	\$72,743
Councillor (minimum allowable remuneration)	\$55,697

Local Government Members (2024/25)  
Determination 2024, Schedule of Remuneration-part 2

For further information refer to:  
[www.remauthority.govt.nz](http://www.remauthority.govt.nz).

Q69: Would being an elected member take up much time?

A69: Being an elected member is a busy job that often involves meetings, events and speaking with community members outside of normal business hours. Flexibility and the ability to prioritise and manage time effectively are essential. This includes balancing a high volume of reading, paperwork and emails with a schedule of meetings and public commitments.

As a consequence, the chair is considered a full-time job and councillors are generally part-time jobs.

Q70: How many elected members are there?

A70: The Northland Regional Council has 9 councillors, elected from 8 constituencies.

The Chairperson is one of the elected councillors and is elected by the councillors following the election.

Refer [Q5](#) for more information.

➔ ELECTION SIGNS

Q71: What are the requirements for election signs?

A71: Election signs are referenced in the [Local Electoral Act 2001](#) and the relevant territorial authorities election signs policies—both of which must be complied with.

**Local Electoral Act 2001:**

All election material, including signs and hoardings, must show an authorisation statement (name and contact details of the candidate or the candidate's agent). Not to do so is an electoral offence.

Refer to the [Local Electoral Act 2001, section 113](#).

**State Highway corridors**

All local government election signs located on or adjacent to a state highway require the written consent of the New Zealand Transport Agency Waka Kotahi. Refer [NZTA Planning Policy Manual](#) (esp sections 7.3 and 8).

**General**

Use non-metallic stakes only to erect signs, and ensure you are aware of any services that may be underground.

**Local Bylaws and Council Policies:**

For constituent territorial authority's election signs policies or bylaws, refer to the relevant constituent territorial authority website:

Q72: I have a complaint about the electoral signage. What should I do?

A72: If the signs don't have the required authorisation on them, call the electoral office on 0800 922 822.

If the signs are located where they should not be, or have been pulled over or damaged, call the relevant territorial authority. For contact details, see above.
