

2021 Environmental Leaders Fund

Biosecurity trapping hardware

Please use the following price list to calculate how many of each trapping item you require and what the overall cost of this will be. Then transfer the total gst incl amount into the Trapping hardware field in the online application form.

If you need help working out what you need, please email bevanm@nrc.govt.nz. Bevan is happy to call you back if you email him your phone number.
